Discover Your SRP Experience

Welcome to your guide to the Surrey Research Park workplace experience – designed to help you and your team thrive.

Regardless of your role or how long you've been working here, you're a valued contributor to our unique innovation community, and this guide is for you!

It's a one-stop-shop to showcase the full range of exclusive opportunities, discounts, and suggestions for how you can get the most out of being part of our special community here in Surrey.

We created this first edition to make it easier for everyone to understand the added benefits of being part of our community, which is backed by the University of Surrey.

From **wellbeing treatments** and **socials**, **discounted gym membership** and town centre **hotel savings** to simply developing a better understanding of the **full facilities** and your surroundings here, this guide has it covered. And as we create more opportunities and grow our range of partners, we'll be sure to update this guide too!

Along with this guide, to stay informed and ensure you don't miss out, subscribe to our Park Life newsletter (see page 4), keep an eye on the screens in the *Hub on the Park Café*, or check out our website What's On page and socials (p13).

Key:

- AR experience QR Code
- eBikes
- SRP path
- Deer sculptures
- Picnic tables
- Access to woodland trail
- Public woodland trail

We also love to see your stories, videos, and photos about your Park experience, so please share them with us on LinkedIn and Instagram by tagging us and using the hashtag **#SurreyResearchPark.**

This guide specifically outlines opportunities for you and your colleagues to enjoy as individuals or as a team. In addition, there are a range of other unique opportunities available for companies to benefit from, including research collaborations with the University of Surrey.

If you're a business leader and want to know more about opportunities for your company, please get in touch.

Now that you have this guide, read it, share it with your colleagues, and decide what you'll take up first. Whether it's a **discounted gym membership** (p6), claiming a **free coffee from the Hub on the Park Café** (p7), or **joining a park-wide social** (p4), the choice is yours!

Whatever you choose, we look forward to seeing you soon, and if you have any suggestions for the next edition, please get in touch.

Your Park Community

Being part of the Park means being part of a dynamic and vibrant community. We love to create opportunities for you to connect, celebrate, have fun and support the good causes you are passionate about

From Festive Mixers to Summer BBQs

Get ready to celebrate with your colleagues and neighbours! In early December, join us for a lively gathering to celebrate the festive season and reflect on a year of successes.

Or make the most of the summer sun by joining us for a summer BBQ outside the *Hub on the Park Café* . See your *Park Life* email newsletter for dates and details about these exciting events.

Early Careers Network

Whether you've recently graduated or are in the early stages of a new career, our Early Careers Network is your exclusive opportunity to connect with peers from across the Park. It's a fantastic way to meet, socialise, and share insights with others who are in a similar situation.

Got FOMO? Get Park Life

Want to know all the latest about Park events, from festive mixers to summer BBQs and upcoming sports activities? Your Park Life newsletter drops into your mailbox during the first week of each month, packed with dates and details.

Don't miss out – subscribe now > bit.ly/srpparklife!

Park Recognition Campaigns

Come and participate or support Park-wide professional recognition campaigns. Each year we're looking to celebrate an aspect of our community with a dedicated campaign.

For 2026, our 'Women of Surrey Research Park' we highlighted the inspirational stories and achievements of individual women from across the Park. Look out for more in the coming months.

Join the ESG Group

Our ESG Working Group was formed in 2024 with representatives from across the Park community. It's a great opportunity for you to **connect with others**, **contribute to your organisation's success**, and **grow professionally** by helping to enhance the Park's environmental, social, and governance performance.

In its first year, the group has been doing some fantastic work, focusing on key areas that benefit the whole community, including:

- Improving air quality at the Park
- Sustainable travel options
- Reusing and recycling
- Charity support

How to get involved

We're ideally looking for one representative from each Park-based company. Our monthly meetings frequently feature expert guest speakers who share insights and best practices on ESG developments.

The ESG Group typically meets on the **first Monday of each month at 3pm** in the Surrey Technology Centre. If you would like to attend, please speak with your line manager, and then email us (see below).

Support Your Charity Via Our Weekly Charity Table

Do you have a personal cause or charitable event close to your heart? You can use our weekly charity table in the Surrey Technology Centre reception, free of charge, to promote your initiatives to your neighbours, wider Park community and visitors!

Recruitment giving you a headache? We can help!

Take the stress out of recruiting. Through the University of Surrey, we offer graduate and student tours, and opportunities to showcase your company's brand to top talent.

We can also publicise your vacancies on our website, supporting your SEO efforts.

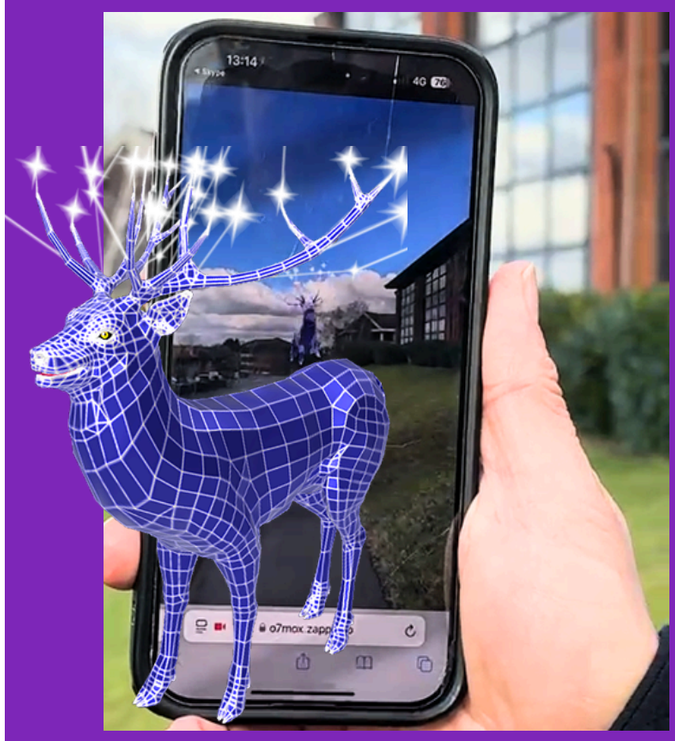

For anyone directly involved in recruitment decisions, we also have a talent working group.

Explore the Park with our AR Tour

Assemble a team, grab your smartphone and head out to explore Surrey Research Park via our interactive AR tour.

Dive deep into the Park's fascinating history and learn more about your innovative neighbours at the Park today.

It's a great reason to take a stroll round the park with your team or on your own. Start the tour at any of the six AR signposts around the Park (see map on P3).

Your Gateway to Green Spaces & Biodiversity

Our natural environment is a key benefit of working here at the Park. We're surrounded by green space – from our managed and landscaped grounds to neighbouring ancient woodland – nature is on your doorstep! This makes working at the Park much better for both your physical and mental health, compared to being exposed to the hustle and pollution of the urban environment.

There's always different nature to enjoy throughout the year: in spring, you might spot fluffy moorhen chicks, goslings, and playful rabbits; summer brings a vibrant display of varieties of dragonflies and freshwater fish; autumn transforms the landscape with the stunning orange and russet colours of the leaves; and in winter, enjoy a bracing walk around the Park under crisp, clear blue skies, often with soaring Red Kites overhead!

Take a Sculpture Stroll

Explore our sculpture trail to admire the impressive **teak root** sculptures of stags and see the 'swooping eagle' across the lake, near Surrey Satellite Technology's building. These sculptures, known for their detailed shapes and crevices also serve as habitats for insects and bugs.

Enjoy A Picnic in the Park

When the weather's fine, you can grab a salad from the *Hub on the Park Café* or bring your own lunch and enjoy one of our many picnic spots.

Feast under the shade of tree overlooking our lakes or use one of our picnic tables (see map on p3) for al fresco lunch with your team, or relax on a bench with a smoothie and catch some sun.

Love Nature?

If you love the outdoors, we are exploring new opportunities with local biodiversity experts to help you discover more about our amazing flora and fauna.

In the meantime, if you and your team would like to take a deeper dive into the Park's biodiversity, our Estates team would be delighted to offer a guided tour.

To find out more about booking a group tour, please get in touch.

Your Sustainable Park Commute

We're committed to promoting practices that make your journey to the Park greener.

Catch the EV shuttle

We operate **two, free to use**, **EV** people carriers that run daily between Guildford Station and the Park during peak office hours.

Station Pick-up/Drop-off: This is located around 200 metres from the **rear entrance** to Guildford Station, on the corner of Guildford Park Road (What Three Words: **natively.sits.search).**

From the Park: Our drivers pick-up from the front of the Surrey Technology Centre and also near Tycho House.

Join the Shuttle WhatsApp

> Scan the QR code to join the WhatsApp group for timetable info and live service updates.

Get on Your e-Bike!

Surrey Research Park is part of the Guildford-wide e-bike hire initiative. Download and use the Beryl app to hire an e-bike and follow the off-road cycleway from outside the Surrey Technology Centre all the way down to the University of Surrey's Stag Hill campus. From there, it's just a short ride into the town centre. And thanks to battery assist, the return trip back up the hill to the Park is just as easy!

Whether you're commuting, heading to a meeting or making the most of the sunshine on your lunch break, the e-bikes offer a quicker and cleaner alternative to getting around.

Get the App or for more info > beryl.cc

Charge your EV at Work

If you have an EV, the Surrey Technology Centre car park **has 12 solar powered charging bays**. To use, obtain an access code from our reception team, download the 3Ti App, enter the access code, and follow the instructions displayed on the screen at the charging point. Payment is via the App.

Share Your Ride?

If you drive to the Park, you may want to take a look at **Liftshare**. Promoted by the University of Surrey, this platform is the UK's leading car share provider, connecting people traveling in the same direction to share journeys and reduce costs.

You can register without any obligation to see if there's anyone along your route you could offer a lift to or share a ride to the Park with.
